# ABOUT US

Since its establishment, Hill Clinic LLC has been at the forefront of diagnosing and treating patients with opioid dependency.

Based in Toledo, Ohio, we are composed of highly trained doctors, counselors, nurse practitioners, and addiction specialists. Our team is committed to providing the highest quality of treatment options to help fight the growing opioid epidemic.

Hill Clinic LLC specializes in outpatient medication-assisted treatment for opioid addiction. Our person-centered, evidence-based treatment is supported by counseling, case management, recovery outreach, and community resource referrals to help our clients reclaim a drug-free life.

## WE OFFER THE FOLLOWING PROGRAMS

### Medication Assisted **Treatment**

We offer medication-assisted treatment (MAT) to treat opioid addiction.

### Individual **Counseling**

Individual counseling focuses on addressing mental health issues that may contribute to drug use.

### Family **Therapy**

Family therapy helps the members of a family heal and recover as a group.

### Primary Care **Needs**

We also provide primary care services to our patients.

# OUR MISSION

It is the mission of Hill Clinic LLC to provide person-centered, evidence-based opioid addiction treatment services. We promote holistic health and drug-free lifestyles for the individuals, families, and communities that we serve.

# OUR VISION

Hill Clinic LLC will be the preeminent agency working toward a community free of opioid misuse, addiction, and other opioid-related problems.
